SEVENTEEN (17) POSITIVE CORONAVIRUS (COVID-19) CASES AT COLONIAL VISTA LONG-TERM CARE FACILITY

EAST WENATCHEE – On July 27, 2020, Chelan-Douglas Health District confirmed seventeen (17) cases of COVID-19 at Colonial Vista Long-Term Care Facility in Wenatchee, Washington. Thirteen (13) residents and four (4) staff members tested positive for Covid-19 after a facility-wide testing was conducted last Wednesday, July 22, 2020. As required, all four (4) staff members who tested positive are isolating at home. The positive residents are all in isolation and any exposed residents are in quarantine separated from the residents who tested negative.

Public health would like to remind everyone to keep a six (6) foot distance from others and wear a mask in public. Masking is the next best thing to a vaccine. For more information, please visit www.cdhd.wa.gov/covid-19 and follow us on [Facebook](#) & [Twitter](#).
