CDHD OFFERS FREE VOLUNTARY TESTING IN PLAIN

EAST WENATCHEE – In response to concerns about COVID-19 transmission in Chelan and Douglas counties, the Chelan-Douglas Health District (CDHD) is offering free, voluntary COVID-19 testing in communities throughout the two counties.

CDHD, in partnership with the local community, has identified Plain as the next testing location.

Free, voluntary, self-administered COVID-19 testing will be available to residents of Plain on September 15, 2020 and September 16, 2020.

Drive-in and walk-up testing will be available at Station 93 from 1:00 PM – 7:00 PM.

CDHD would like to remind everyone of the importance of all public health precautions during the COVID-19 pandemic. Anyone can have COVID-19 and not know they are contagious.

COVID-19 is easily spread to close contacts, friends, family and loved ones before a person knows they are unintentionally spreading the virus. Please do your part to prevent the spread of COVID-19, continue to mask-up, social distance and avoid group gatherings.

Be a protector, not an infector! For more information, visit www.cdhd.wa.gov/covid-19.
